listen to the "water" not the pump!
Energy efficient, includes pre-filter
Made in Europe, 3 year warranty

DO IT YOURSELF
Pond kit comes in 3 boxes

INCLUDES EVERYTHING YOU NEED

EASY SET UP
Ready for water in less than 1 hour!

Lay out the base rails where you want your pond

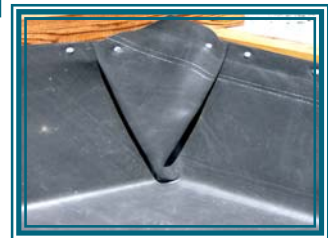

Our ponds set up above ground - no digging required

Interlock the side rails together like a little log house

Stack all the side rails to complete the frame

Place the pre-formed liner into the frame, add water with a hose - no plumbing required

Place pre-assembled benches on top - secure with 2 bolts at each end
